

Tile & Grout

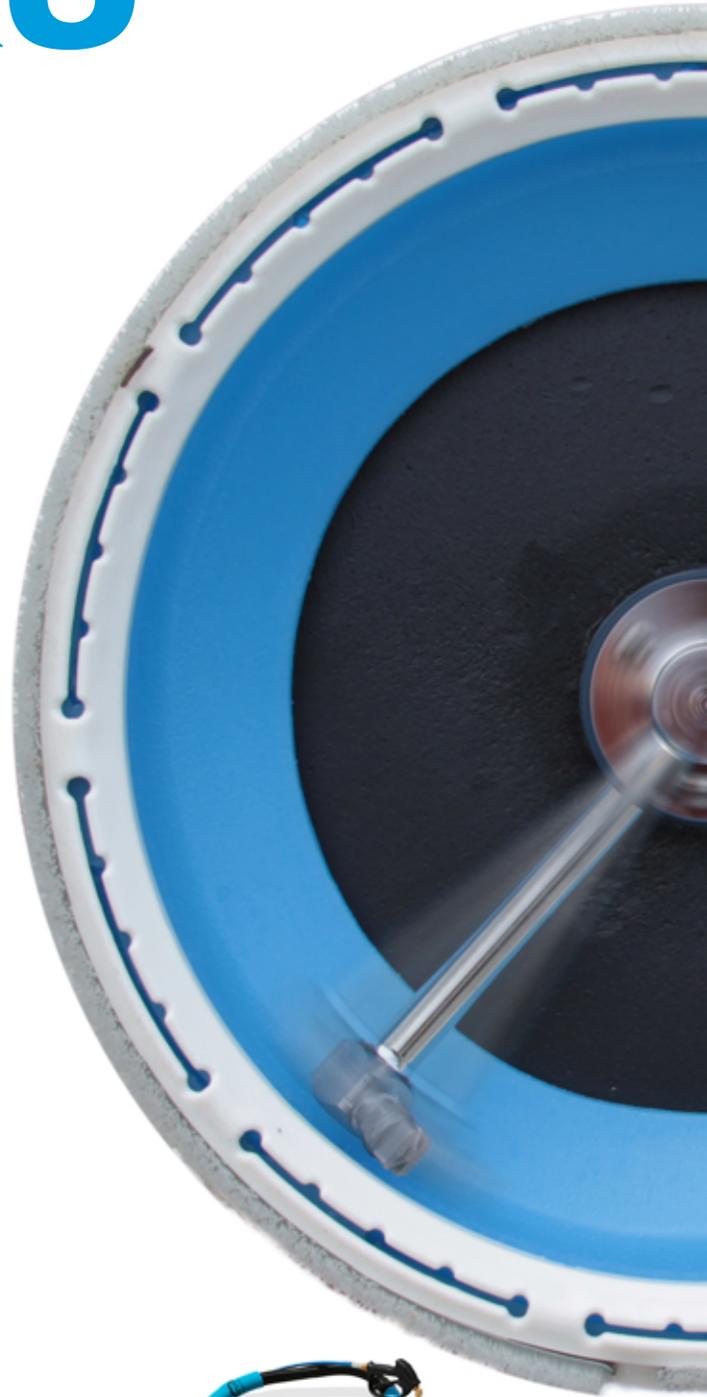

SPINNERS

The Spinner® line of Tile & Grout Cleaning tools use high pressure to simultaneously power wash and extract water from a variety of hard surfaces such as concrete, grouted tile, ceramic tile, rubber studded floors, countertops, and more.

FEATURES

- Removable brush ring with built-in vacuum relief for instant drying!
- Low profile for cleaning under toe kicks and hard-to-reach areas.
- Rebuildable flange-mounted swivels.
- Durable Carbide seals.
- Rated for 500 - 3,000 PSI.
