Restoration

NILOTRON® Full Release ODOR NEUTRALIZING FOGGER
Contains a fast drying odor counteractant to lock up active odor causing molecules.

6.25 oz. Fogger 12/case
FR00098

Nilotron® Full Release **Odor Neutralizing Fogger**

When using Nilotron® Full Release **Odor Neutralizing Fogger** at room temperature, entire contents will discharge in 5-10 minutes. Place aerosol on a protective covering in the center of area to be deodorized.

For best results close all windows, doors and air vents. **TURN OFF ALL IGNITION SOURCES SUCH AS PILOT LIGHTS AND EXTINGUISH OPEN FLAMES (CANDLES, CIGARETTES, ETC.)**

LIGHT ODORS:

Use as you would a hand held aerosol. Press grey button for 10 seconds and spray upward. For larger areas, spray and walk around room. Release button when finished. (If button locks, use your thumb and press button up to unlock.)

SEVERE ODORS:

Use as a full release. Position on a piece of paper in the center of room, press down on the grey button until it is locked and leave area until can is completely empty.

Contents should empty fully within one minute. One can of Nilotron® FOGGER will cover up to 8,000 cubic ft.
